About the College

S. M. College, Chandausi, truly embodies the spirit of “Paropakārāya Satām Vibhūṭayaḥ” (the wealth of the virtuous is for the welfare of others). The college was established through the generosity and benevolence of the revered late Smt. Tulsa Devi and the virtuous late Smt. Rani Ramkali, K.I.H., in memory of the late Sahu Shyam Sundar—the brother of the great-grandfather of our current Honorary Secretary, Shri Shantanu Kumar. This institution serves as an everlasting memorial to Sahu Shyam Sundar. Founded in 1908 as a High School, it quickly earned distinction in the field of education. Progressing steadily, it became an Intermediate College in 1923, a Degree College in 1946, and a Postgraduate College in 1951. The college celebrated its Golden Jubilee with great enthusiasm in 1968. Today, postgraduate classes in eleven subjects are conducted efficiently.

About the Seminar

In today’s research ecosystem, methodological awareness has transcended disciplinary boundaries. The diversity of approaches—from qualitative narratives to quantitative analytics, from traditional field studies to AI-driven data analysis—highlights the need for dialogue and collaboration. This National Seminar aims to provide a multidisciplinary forum for exchanging ideas, discussing methodological challenges, and exploring innovations that can strengthen academic research and professional inquiry.
